

Norton Quantum.QUANTUM 230x7.0x22.23mm A 24P TYPE27 INOX DISC

Quantum Grinding Discs Type 27 - Metal/Inox Quantum Fast Cut wheels deliver an extremely comfortable and efficient grinding solution for all demanding metal fabrication applications. They maintain consistently high stock removal, even on hard alloy steels, maximising product throughput without the need for high pressure. Quantum Fast Cut wheels are designed for low pressure, large contact area operations and hard alloy steels.
