

## Norbar PneuTorque PTS-92-4000 Pneumatic Torque Multiplier 800-4000NM, 1" Square

The PTS is the outcome of a lengthy design initiative to create an efficient air motor that is specifically designed for use in an accurate torque tool. The new air motor is then coupled with Norbar's well-known gearboxes, which share torque reaction accessories with PTM and EvoTorque® tools.

| Specifications   | Details            |
|------------------|--------------------|
| Max Air Pressure | 6.5 bar            |
| Range Metric     | 800 - 4000 NÂ·m    |
| Range Imperial   | 590 - 2950 lbfÂ·ft |
| Height           | 273mm              |
| Model Number     | PTS-92-4000        |
| Length           | 400mm              |
| Weight           | 13.61kg            |
| Brand            | Norbar             |
| Product Number   | 180247.B08         |
| Free Speed       | 5.3 rpm            |
| Accuracy         | Â±3%               |
| Square Size      | 1"                 |
