

Kennedy 10 STRAIGHT CUTTING AVIATION SNIPS

Straight Cut Cuts straight, left or right. Self-opening action for fast, effortless feed, with a built-in convenient, protective safety latch. Drop forged chrome vanadium ground blades (54 - 58HRc). The double fulcrum compound action amplifies the pressure applied for easier cutting of up to 1.2mm cold rolled steel sheet. Spring loaded, self-opening action for fast, effortless feed and single-handed operation. Anti-slip guards for extra safety. Thumb lock ensures the jaws stay closed when not in use. For use on mild steel and other non-ferrous materials.
